Coaching Academy

AMSTI Coaching Academy and Coaching Communities are designed for building based math coaches. This training will prepare and support building based math coaches in their role as a math leader. Eligibility considerations are reserved for coaches who are solely dedicated to serving the school as a math coach. If you would like more information about eligibility, please contact Chasity Collier, Interim AMSTI-USA Director.

Training for K-12 Teachers

Coaching Labs/Book Study PLC K-5 Teachers

Day 1 (AMSTI)	September 6	November 15
Day 2 (AMSTI)	September 7	December 13
