

## AMSTI-USA 2022-2023 Science Kit Rotation Schedule Baldwin County

	1st Quarter	2nd Quarter	3rd Quarter	4th Quarter
K		Plants & Animals	Weather Walk	Push & Pull
1	Wild Organisms		Sound, Light, & Sky	
2	Soils & Shores	Plants & Bugs		Matter
3	Heredity & Diversity	Weather & Climate	Forces & Interactions	
4	Energy & Waves		Water & Landforms	Animal Studies
5	Dynamics of Ecosystems		Earth: Gravity & Space	Matter & Interactions
6	Understanding Weather & Climate	Exploring Plate Tectonics	Researching the Sun, Earth, Moon System	Exploring Planetary Systems
7	Investigating Biodiversity & Interdependence	Exploring Body Systems	Studying the Development & Reproduction of Organisms	
8	Experimenting with Forces & Motion	Electricity, Waves, & Information Transfer	Exploring Properties of Matter II	Experimenting with Mixtures, Compounds, & Elements

Gray shading indicates no science kit that quarter.
