

AMSTI-USA 2023-2024 Science Kit Rotation Monroe County

	Quarter 1	Quarter 2	Quarter 3	Quarter 4
K		Weather Walk	Push & Pull	Plants & Animals
1	Sound, Light, & Sky		Wild Organisms	
2	Soils & Shores	Matter	Plants & Bugs	
3	Forces & Interactions	Weather & Climate	Heredity & Diversity	
4	Energy & Waves		Animal Studies	Water & Landforms
5	Dynamics of Ecosystems		Matter & Interactions	Earth: Gravity & Space
6	Understanding Weather & Climate	Exploring Plate Tectonics	Exploring Planetary Systems	Researching the Sun, Earth, Moon System
7	Studying the Development & Reproduction of Organisms		Investigating Biodiversity & Interdependence	Exploring Body Systems
8	Exploring Properties of Matter II	Experimenting with Mixtures, Compounds, & Elements	Experimenting with Forces & Motion	Electricity, Waves, & Information Transfer

AMSTI-USA 2023-2024 Science Kit Rotation Monroe County

Gray shading indicates no science kit that quarter.
