

AMSTI-USA SCIENCE Summer 2025

#AMSTI4ALL

#AMSTI4ALL sessions are approved and open to everyone and are TEAMS. Science Foundational is prerequisite for content sessions.

These session will be at the AMSTI Office:

June 10	Science Foundational Training (K-12)	8:00-3:00
June 17	Science Foundational Training (K-12)	8:00-3:00
July 15	Science Foundational Training (K-12)	8:00-3:00
June 23	ALCOS Overview (K-12)	8:00-3:00
July 10	ALCOS Overview (K-12)	8:00-3:00
July 17	ALCOS Overview (K-12)	8:00-3:00
July 7	ACT Science Teacher Experience	8:00-3:00

This session will be at Jackson Intermediate:

July 23	ALCOS Overview (K-12)	8:00-3:00
---------	-----------------------	-----------

Alabama Science In Motion (ASIM)

Locations:

***The following ASIM sessions are pilot training opportunities that provide a preview of ASIM pilot lessons aligned with Alabama's standards. These lessons are in draft form and may be revised based on teacher feedback and implementation experience.**

AMSTI Office

93 Sidney Phillips
Mobile, AL

June 11	Biology- Pilot Training* (Water and Its Movement)	8:00-3:00
June 12	Biology- Pilot Training* (Molecules of Energy)	8:00-3:00
June 13	Biology- Pilot Training* (Biotechnology)	8:00-3:00

Jackson Intermediate

2950 US-43
Jackson, AL

July 2	Human Anatomy and Physiology	8:00-3:00
July 9	Environmental Science	8:00-3:00
July 18	Chemistry- Pilot Training* (Reactions)	8:00-3:00

June 20	Chemistry- Pilot Training* (Intro to Stoichiometry)	8:00-3:00
July 16	Physical Science: PSC Pilot Training* (Acid/Bases)	8:00-3:00
June 24	Physics- Pilot Training* (Motion and Gravity)	8:00-3:00
